The Governors and staff of Ysgol Bro Cynllaith School are fully committed to adhering to section 175 of the Education Act, 2002, which requires Local Authorities and Governing Bodies of maintained schools and institutions to have arrangements for exercising their functions with a view to safeguarding and promoting the welfare of children. The Governing Body of _____ School responds to the objective of keeping children and young people safe by:-

- creating and maintaining a safe learning environment for children and young people;
 - identifying where there are child welfare concerns and taking action to address them, where appropriate, in partnership with other agencies;
 - ensuring that children are listened to if they are expressing concerns; and
 - the development of children's understanding, awareness and resilience through the curriculum.

The Governing Body recognises that achieving this objective requires a system designed to:-

- prevent unsuitable people from working with children and young people;
- promote safe practice and challenge poor and unsafe practice;
- identify incidents in which there are grounds for concern about a child's welfare, and initiate or take appropriate action to keep them safe; and

Governors and staff in Ysgol Bro Cynllaith School will work together with other agencies in order to achieve the above objective.

At Ysgol Bro Cynllaith School the health and safety of all children is of paramount importance. Parents send their children to school each day with the expectation that the school will provide a secure environment in which their children can flourish. There are many definitions of bullying, but most consider it to be:

- deliberately hurtful (including aggression)
- repeated often over a period of time, while recognising that even a one-off incident can leave a learner traumatised and nervous of future recurrence
- difficult for victims to defend themselves against.

(Respecting Others: Anti-Bullying Guidance National Assembly for documents Wales Circular 23/2003 (2003)

The school's response to any incidents of bullying is unequivocal. Adults must be informed immediately and action will take place. Children are told that silence is the bully's best friend. Although bullying in this school is rare, the school always acts swiftly with a process of investigation, communication and action, and always in partnership with parents. Bullying will not be tolerated.

4. Equal Opportunities

The school's statement on Equal Opportunities states:

Our aim at Ysgol Bro Cynllaith is to provide equal opportunities for all children whatever their age, ability, gender, race or background.

Along with its Equal Opportunities Policy, the school also has a Race Equality Policy. It is important to the Governing Body for pupils at the school to be prepared to live in an ethnically diverse society. The school will make every effort to promote racial equality and harmony by preventing and challenging racism. Racism is tackled in both the RE and PSE curriculum and further information regarding the strategies used by the school to address allegations of racism are set out in its separate Race Equality Policy. The children take part in discussions designed to raise awareness and address prejudices. From time to time, visitors work with the children also and all racist incidents are reported to the Local Authority and Governing Body when they occur.

7. Drug and Substance Abuse

The school maintains a separate Drug and Substance Misuse Policy, which is linked to the school's Behaviour Policy, and provides appropriate support for any children who may be involved in drug and substance abuse. 9. Pupils with Medical Conditions

The school's stance in relation to the administration of medication is that members of staff will only give medicines when the parent has completed and signed the appropriate form requesting that staff administer medication; the decision to meet the request is at the discretion of the Headteacher/or members of staff will only give medication when the requirement is set out in a Healthcare Plan provided through the school Nursing Service. Teachers are entitled to refuse to administer medication and, in the event of a pupil attending the school who requires medication, either on a regular or emergency basis, arrangements will be made for non-teaching staff to administer the medication if teachers are not prepared to undertake this task. Appropriate training is provided for staff required to administer such medication as diazepam, medazelin, epipens etc.

For matters of an intimate nature, arrangements for support of such pupils within the school will be agreed prior to admission of the pupils and every effort will be made to maintain the dignity of the young person involved.

Further details in relation to administration of medication are provided in the school's Administration of Medication Policy which is a separate document.

10. Sex and Relationships Education

The provision of sex and relationships education is addressed through a separate policy covering this aspect **or** the school's PSE Policy **or** the school's Curriculum Policy.

11. Safeguarding in the Curriculum

The school's curriculum addresses Safeguarding issues in two ways. In the first instance, the curriculum, in subjects such as personal and social education, discusses relevant issues with the children and topics such as drugs, sex and relationships, are included within this subject. Children are encouraged to explore and discuss these issues. Secondly, the curriculum is designed so that safety issues within each subject are discussed and safe practices taught for example using equipment properly in PE and Design and Technology. The school audits all its schemes of work to ensure that Safeguarding is addressed. At all times, appropriate staffing levels are provided within the teaching environment and, when children are taught offsite, the required adult: pupil ratios are maintained. The school will use visiting speakers, where appropriate, in order to enhance the learning experiences of the children and young people.

Internet safety is addressed in a separate policy, which is regularly reviewed. Children should be encouraged to use the Internet as much as possible, but at all times in a safe way. Parents are asked to confirm their agreement for their child to use the Internet. Pupils must never be left unattended whilst online and staff will ensure that this does not happen. If staff know of misuse, either by a staff member or child, the issue will be reported to the Headteacher without delay.

14. Welfare of Pupils on Extended Vocational Placements

Where a pupil is involved in ongoing work experience or other vocational placements, the school will make regular visits to the young person to ensure their welfare is being maintained. The young person will be encouraged to report any concerns and issues of work experience are addressed in a separate policy.

This addresses such issues as procedures for parents to report the illness of

a child, contact with the home in the event of an absence, the involvement of the Education Welfare Officer, publication of attendance rates and reporting of information, in respect of attendance to the Governing Body and the Local Authority. In addition, it includes positive measures to encourage children to attend regularly and punctually at the school. It also makes reference to the Authority's entitlement to take legal action against parents who do not ensure good attendance and punctuality.

17. Safe Recruitment

The school adheres to the Authority's guidance in relation to safe recruitment and this includes the involvement of a Governor or member of staff who has undertaken Safer Recruitment training, provided by Powys Human Resources, on all appointment committees, the inclusion of safeguarding questions in the interview and the taking up and retention of written references for successful candidates. Appropriate support is provided for both pupils and staff who are involved in physical intervention.

22. Photographing and Videoing

The issue of photographing and videoing school events is addressed in a separate policy.

23. Whistleblowing

Whistleblowing is covered in a separate policy. If members of staff have any concerns about the behaviour or intentions of any person within the building, school grounds or in the proximity of children, they have a professional duty to inform the management accordingly. This can be done in writing or verbally but staff should be prepared to discuss issues in the confidence that any such matter will be dealt with sensitively and with the necessary degree of confidentiality.

24. Communication with Parents and Learners

The school makes parents aware of its Safeguarding Policy and Procedures, and the need to share information with other agencies if necessary, when admitting pupils. On admitting pupils, the school will also seek clarification as to who has parental responsibility, in respect of the pupil, and, in relation to non-custodial parents, will ensure that they receive their entitlement in respect of information regarding school events, as provided to any other parent, and reports on progress in respect of the pupil(s) concerned. Learners are made aware of what to do if they have a concern through discussions in PSE lessons and information posters placed around the school.

Any issues of a Child Protection concern and consideration of Safeguarding matters that relate to these activities, are responded to in accordance with the school's Child Protection Policies and Procedures. When outside bodies make use of the school premises, outside of the school day, for example community activities on school premises, the organisers of these activities must assure the headteacher and the designated teacher for Child Protection that they have in place appropriate Child Protection and Safeguarding policies which reflect the All Wales Child Protection Procedures if their activities involve children. The governing body reserves the right to terminate agreements for the use of the school premises, outside of the school day, where it is their responsibility, if they become aware of failings in terms of Child Protection or Safeguarding. In instances where the governing body does not have the authority to terminate the arrangement, it will ensure that such matters are referred, as a matter of urgency, to the controlling body.

26. Complaints

The school has in place a Complaints Procedure, which is based on the model included in Welsh Government Circular: 011/2012, *Complaints Procedures for School Governing Bodies in Wales*, and, in addition, has complaints information for children so that children, staff and the public are able to submit their complaints, in respect of the school, including Safeguarding complaints and concerns that Safeguarding action has not been taken.
